

Miraval

Tucked away in its own private valley in the ancient village of Correns – the first organic village in France – Château Miraval covers 500 hectares of land in the heart of Provence. The magnificent Château is set in a cirque surrounded by ancient woods, olive trees, vineyards and abundant water supply. Lush wildlife combines with the beautiful Provencal climate and quality Mediterranean lifestyle to reveal an enchanting oasis.

Château Miraval's exclusive valley location embodies an exceptional terroir. Terroir is the expression of the soil, the climate and the history of the land – the essence of the wine. At an altitude of 350 meters the vines are privileged to enjoy warm, sunny days and cool nights, bringing freshness and balance to the wines.
