

Eléphant Rose Luberon Rosé 2017

A light fruity rosé!

PRESENTATION

If you like easy drinking rosé wines, this one is perfectly suiting aperitifs and simple cookery.

THE VINTAGE

This 2017 vintage will be remembered as the year of all records: the driest year in 30 years, non-interventionist vineyard work, optimal harvest conditions, a very small yield due to climatic hazards, and wines with very rich potential.

LOCATION

Located largely in the regional park of the Luberon, on equal distance from Avignon, Aix-en-Provence and Manosque. The average altitude of the vineyard is at 300 meters. Late maturity zone.

TERROIR

Ancient alluvial deposits with flat and round pebbles, limestone marl, some areas called Collets du Luberon, meaning rocky zones close to clay, results of alpine diluvium flows.

AGEING

The harvest takes place between the last days of August and mid-September, when the grapes have reached optimal maturity. This is defined by analysis and berry tastings. Harvest takes place early in the morning to preserve the freshness of the fruit and avoid oxidation of the aromas. As soon as the grapes arrive at the winery, they are pneumatically pressed which allows to extract the musts. Fermentation starts after settling and lasts about 15 days in temperature-controlled stainless steel tanks. After fermentation, the wines are kept in stainless steel vats and slightly fined before bottling.

VARIETALS

Cinsault, Grenache, Syrah

SERVING

10-12°C on hors-d'oeuvres, cold buffets, tomato salads, grilled meat, ... and other summer lunches.

TASTING

Pretty pale pink color with pastel undertones. The nose is seductive with subtle hints of red fruit (currants, strawberries, raspberries) and delicate flowers (rose, hawthorn). Well balanced in the mouth, between freshness and roundness, it offers a refreshing lemony finish.
