Famille Perrin Côtes du Rhône Villages Cairanne - Peyre Blanche 2015

Our 14 hectare vineyard in Cairanne is located south west of the old village. The soils are stony, made of clay and sand. The wine is fleshy and develops beautiful aromas of blackcurrant, Garrigue and liquorice.

THE VINTAGE

2015 was a magnificent year in the south as well, characterized by excellent sanitary conditions thanks to the mild, wet winter, followed by a relatively hot, dry spring. The vines coped well with the extreme heat and lack of rain in the summer thanks to good hydric reserves. Following satisfactory flowering, rapid and regular ripening was assisted by rain that fell in August, producing berries rich in phenolic compounds and anthocyanins. As in the north, harvesting took place under excellent conditions.
