## Famille Perrin Nature Côtes du Rhône Rouge - 2016

### PRESENTATION

Certified organic by Ecocert, Perrin Nature is not only an organic Côtes-du-Rhône but also a great wine. Using our experience in organic farming at Beaucastel (one of the first big estates to turn to organic farming 40 years ago), this wine is a beautiful expression of fruit with delicate and soft tannins.

### THE VINTAGE

The 2016 vintage in the Southern Rhone valley is exceptional, both in terms of quality and quantity, thanks to idyllic weather conditions that protected the region from climatic accidents throughout the whole year.

### LOCATION

This wine comes from a vineyard located between Valréas and Vaison la Romaine, north of Orange. The vineyard is planted in Grenache and Syrah.

### TERROIR

Chalky clay soils.

### AGEING

In our Famille Perrin cellar. Traditional vinification after destalking. Fermentation in stainless steel tanks with temperature regulation of 150 hl. Ageing in tanks and foudres (25%) for a year.

### VARIETALS

Grenache, Syrah

### SERVING

Serving temperature 15-16°C.

### TASTING

This Côtes-du-Rhône 2016 is like a bowl of very dense and ripe black and red fruit. Notes of crushed strawberries, balanced by a beautiful freshness of spices from Provence and its Garrigues. On the palate, this wine is beautifully balanced in richness and freshness, a good structure with fine and elegant tannins. The finish is long and aromatic.

### REVIEWS AND AWARDS
