

LA FERME JULIEN

La Ferme Julien Luberon Blanc - 2015

PRESENTATION

If you enjoy quaffable wines, this one is ideal for an aperitif or paired with simple cuisine.

THE VINTAGE

2015 was a magnificent year in the south as well, characterized by excellent sanitary conditions thanks to the mild, wet winter, followed by a relatively hot, dry spring. The vines coped well with the extreme heat and lack of rain in the summer thanks to good hydric reserves. Following satisfactory flowering, rapid and regular ripening was assisted by rain that fell in August, producing berries rich in phenolic compounds and anthocyanins. As in the north, harvesting took place under excellent conditions.

LOCATION

Mainly within the Parc Regional du Luberon, which is equidistant from Avignon, Aix-en-Provence and Manosque.

The average altitude of the vineyards is 300 metres/1000 feet above sea-level, and the grapes are harvested relatively late.

Old alluviums mixed with flat and rounded stones, and bits of chalk marl and clay.

AGEING

The grapes are lightly crushed, then pressed in a pneumatic press, prior to clarification of the must and cool fermentation.

This takes place in vats for 90% of the blend, with 10% fermented in new oak barrels with lees-stirring.

VARIETALS

Bourboulenc, Grenache blanc, Roussanne, Ugni blanc, Vermentino
