### Famille Perrin Luberon Rosé - 2024

*If you like easy drinking rosé wines, this one is perfectly suiting aperitifs and simple cookery.*

#### THE VINTAGE

Despite climatic challenges throughout the year requiring constant vigilance and considerable work in the vineyard, the 2024 vintage looks very promising. The harvest began on August 2nd, and the last grapes were picked on October 3rd. Each vineyard was harvested at perfect maturity, with grapes that were both balanced and expressive. The work in the vineyards was demanding, but the efforts made should result in wines of high quality. The first tastings reveal wines with a very good balance, combining fruitiness, tension and finesse. With optimal phenolic maturity, supported by good acidity, they also reveal great freshness and a beautiful structure. Promising qualities for this 2024 vintage which should stand out for its aromatic richness and its aging capacity.

#### LOCATION

Located largely in the regional park of the Luberon, on equal distance from Avignon, Aix-en-Provence and Manosque. The average altitude of the vineyard is at 300 meters. Late maturity zone.

#### TERROIR

Ancient alluvial deposits with flat and round pebbles, limestone marl, some areas called Collets du Luberon, meaning rocky zones close to clay, results of alpine diluvium flows.

#### AGEING

The harvest takes place between the last days of August and mid-September, when the grapes have reached optimal maturity. This is defined by analysis and berry tastings. Harvest takes place early in the morning to preserve the freshness of the fruit and avoid oxidation of the aromas. As soon as the grapes arrive at the winery, they are pneumatically pressed which allows to extract the musts. Fermentation starts after settling and lasts about 15 days in temperature-controlled stainless steel tanks. After fermentation, the wines are kept in stainless steel vats and slightly fined before bottling.

#### VARIETALS

Grenache blanc, Grenache noir, Mourvèdre, Syrah, Vermentino

#### SERVING

10-12°C on hors-d'oeuvres.

#### TASTING

Pretty powdery pale-pink colour, with shiny undertones. Fresh and very harmonious, the nose opens with exotic notes before revealing a subtle floral touch of delicate roses underlined by notes of citrus. Very fresh, the mouth shows beautiful balance with a round and fleshy texture, tasty aromas of blood-oranges associated with delicate notes of acacia flowers, and a beautiful minerality which brings depth. The finish, has beautiful length and leaves a persistent sensation of freshness.
