

DOMAINE DU
CLOS DES TOURELLES

This building has been inhabited forever and was the first construction outside the fortified walls of the village of Gigondas. Built on medieval foundations, this beautiful Provencal home was erected in the XVII century and now forms a beautiful estate with its two towers.

Formed of 10 hectares of Grenache (80%), Syrah, Cinsault and Mourvèdre, the vineyard of Les Tourelles is located on limestone and sandy soils that are outstanding in the “Clos”, a locality planted in old Grenache vines directly next to the estate and the village of Gigondas.
