

CHÂTEAU DE BEAUCASTEL

Château de Beaucastel Côtes du Rhône Rouge Coudoulet - 2021

PRESENTATION

The 30 hectares of Coudoulet are located just east of the vineyard of Beaucastel on the other side of the A7 motorway. For reasons that have now become obvious, Coudoulet is often considered the baby Beaucastel. The Coudoulet soil has many similarities to that of Beaucastel. It is made out of Molasse seabed covered by diluvial alpine deposits. These pebbles called "Galets Roulés" play a big role: They take in the heat during the day and let it off slowly at night which gives a good start to the vines in the Spring.

THE VINTAGE

2021 is a vintage marked by freshness, which is similar to the vintages we had in the eighties and nineties. It is also what we call a "winegrower vintage", human intervention and the care given to the vines were decisive for the quality of the vintage. Marked by climatic vagaries, with an episode of frost in April and interrupted harvest because of rain, this year has indeed required constant investment from our teams in the vineyard. Their attention and their commitment have borne their fruit: this vintage is very promising with lots of freshness and great balance.

LOCATION

30 hectares in Côtes-du-Rhône.

TERROIR

Molasse seabed of the Miocene period covered by diluvial alpine deposits (rolled pebbles), identical to the vineyard of Châteauneuf-du-Pape.

AGEING

Each variety is harvested manually and separately, then sorted in the cellar. The harvest is heated to 80°C (skins) and then cooled down to 20°C. Classic maceration occurs in cement tanks for 12 days. Pressing in pneumatic presses. Blending of the different varietals after malolactic fermentation. Ageing in Oak Foudres for 6 months.

VARIETALS

Grenache 40%, Mourvèdre 30%, Syrah 20%, Cinsault 10%

SERVING

16°C in tasting glasses.

TASTING

Beautiful limpid-garnet red colour with shiny reflections. Elegant and subtle, the nose reveals seductive aromas of fresh red berries. All in freshness and balance, the mouth shows beautiful red fruit along with a delicate tannic structure perfectly integrated. The finish continues on the same beautiful balance.

REVIEWS AND AWARDS

92/100

"A terrific vintage for this wine, which was bottled just a couple of weeks prior to my late June visit, the 2021 Cotes du Rhone Coudoulet de Beaucastel is a blend of 30% each Grenache, Mourvèdre and Syrah, plus 10% Cinsault. From a vineyard just outside the boundaries of the appellation of Châteauneuf-du-Pape, it's a remarkably consistent wine and always a solid value. Scents of sunbaked stones, black cherries and licorice appear on the nose, joined by hints of purple raspberries and dark chocolate, while the medium to full-bodied palate is lush and velvety, finishing long and complex."
