Famille Perrin Réserve Côtes du Rhône Rosé - 2021

A faithful expression of Côtes du Rhône Rosé, keep this wine on hand to enjoy during the summer.

PRESENTATION

An intense rosé typical of Côtes du Rhône.

THE VINTAGE

2021 is a vintage marked by freshness, which is similar to the vintages we had in the eighties and nineties. It is also what we call a "winegrower vintage", human intervention and the care given to the vines were decisive for the quality of the vintage. Marked by climatic vagaries, with an episode of frost in April and interrupted harvest because of rain, this year has indeed required constant investment from our teams in the vineyard. Their attention and their commitment have borne their fruit: this vintage is very promising with lots of freshness and great balance.

LOCATION

This wine is produced from our vineyard Le Grand Prébois in Orange.

TERROIR

There are 2 types of soils at Le Grand Prébois, stone, clay and limestone on one side and gravel and clay on the other.

AGEING

The grapes are harvested early in the morning to benefit from the freshness of the night. The proximity of the vines to the Grand Prébois cellars allows the grapes to be pressed straight after picking. After pressing, the juices are cold settled in order to remove suspended particles. The alcoholic fermentation takes place in stainless steel tanks and lasts about 15 days, the temperatures are regulated between 14 and 16 ° C. The wines are then racked and aged in stainless steel tanks until bottling.

VARIETALS

Cinsault, Grenache, Mourvèdre, Syrah

SERVING

Serve chilled with light foods, Mediterranean dishes or as an aperitif.

TASTING

Delicate pale pink colour with shiny reflections. This wine opens up with a seductive aromatic bouquet, skilfully blending aromas of red fruits and spring flowers. Gentle and particularly tasty, the mouth is full of freshness and tasty fruit, typical of the 2021 vintage. It ends with a beautiful savoury finish.
