La Vieille Ferme Rosé - 2018

Fresh, fruity and colored... The La Vieille Ferme Rosé presents all of the elements of an attractive rosé.

PRESENTATION

If you like easy drinking rosé wines, this one is perfectly suiting aperitifs and simple cookery.

THE VINTAGE

The 2018 vintage is characterised by exceptional weather conditions. Flowering took place in the best possible conditions, with a historically abundant grape output. A few rainy episodes at the end of the spring complicated things a little with an attack of mildew, but the good weather then settled down until harvest, which took place under idyllic conditions. The wines are beautiful.

AGEING

The harvest takes place between the last days of August and mid-September, when the grapes have reached optimal maturity. This is defined by analysis and berry tastings. Harvest takes place early in the morning to preserve the freshness of the fruit and avoid oxidation of the aromas. As soon as the grapes arrive at the winery, they are pneumatically pressed which allows to extract the musts. Fermentation starts after settling and lasts about 15 days in temperature-controlled stainless steel tanks. After fermentation, the wines are kept in stainless steel vats and slightly fined before bottling.

VARIETALS

Cinsault, Grenache, Syrah

SERVING

10-12°C on hors-d'oeuvres, cold buffets, tomato salads, grilled meat, ... and other summer lunches.

TASTING

The fragrant nose reveals hints of red fruit and cherries. Lively and long in the mouth, it is very aromatic with great acidity that brings freshness.
