### Famille Perrin Gigondas - La Gille - 2013

*Produced on sandy soils, which cover a small part of the appellation, Grenache expresses great softness and is very aromatic without being heavy. This wine is full bodied but with finesse at the same time.*

#### PRESENTATION

The vines grow on limestone, calcareous marl and sandy soils, giving the Grenache immense finesse and elegance with unique aromas.

#### THE VINTAGE

The vintage started with a long winter and one of the driest ones in the past years followed by an inexistent Spring. The crop development was very slow due to important climatic variations. The winemakers' work was therefore crucial to get good quality grapes in small quantities. 2013 was a complicated vintage and late but is wonderfully balanced and is very promising.

#### LOCATION

Located mid-hill, just under the village centre, the Famille Perrin vineyard is amongst the most historical vineyards in Gigondas. It benefits from a flow of cold air which blows through the valley situated to the west of the village.

#### TERROIR

Limestone, calcareous marl, clay and sand. The vines are planted on terraces, facing northwest.

#### AGEING

The whole harvest is destemmed. Vinification in wooden truncated casks and stainless steel tanks. Ageing in Foudres and barriques.

#### VARIETALS

Grenache, Syrah

#### SERVING

Serve at 16°C with a veal chop with morels or a crispy lamb breast.

#### TASTING

In 2013, harvest of the Grenache was a challenge. Plot selections and a ruthless sorting out in the vineyard allowed us to produce this beautiful wine. The nose is complex with rich notes of red and black fruit. The mouth is lush and powerful, the tannins are soft and elegant with a long and mineral finish.

REVIEWS AND AWARDS

90-92/100

"Bright violet color. Potent, mineral-tinged red berry and floral aromas pick up notes of garrigue and allspice with air. Rich yet lively Gigonads, with strong lift and thrust to its sweet raspberry and floral pastille flavors. Closes spicy, stony and very long, with gentle tannins coming on late."

93/100

"The Perrins have been investing in vineyards and various other visitor attractions at Gigondas - they mean business. This is good, big wine with concerted juice at its heart: drink it with stews and game dishes."

91/100

"Deep ruby. Potent, mineral-accented black raspberry, cherry and floral pastille scents show excellent clarity and pick up a bright, spicy quality as the wine opens up. Concentrated yet lively, displaying strong lift and cut to the juicy dark berry and bitter cherry flavors. Clings with excellent tenacity on the floral-dominated finish, which is framed by smooth, even tannins."
