

Famille Perrin Vacqueyras Blanc Les Christins - 2024

THE VINTAGE

Despite climatic challenges throughout the year requiring constant vigilance and considerable work in the vineyard, the 2024 vintage looks very promising. The harvest began on August 2nd, and the last grapes were picked on October 3rd. Each vineyard was harvested at perfect maturity, with grapes that were both balanced and expressive. The work in the vineyards was demanding, but the efforts made should result in wines of high quality. The first tastings reveal wines with a very good balance, combining fruitiness, tension and finesse. With optimal phenolic maturity, supported by good acidity, they also reveal great freshness and a beautiful structure. Promising qualities for this 2024 vintage which should stand out for its aromatic richness and its aging capacity.
