PRESENTATION

The best terroirs of the Côte du Rhône were identified historically and only 20% can be labelled "Villages". Normally found on geological faults, they also benefit from a geological complexity that produces grapes of superior quality.

THE VINTAGE

2015 was a magnificent year in the south as well, characterized by excellent sanitary conditions thanks to the mild, wet winter, followed by a relatively hot, dry spring. The vines coped well with the extreme heat and lack of rain in the summer thanks to good hydric reserves. Following satisfactory flowering, rapid and regular ripening was assisted by rain that fell in August, producing berries rich in phenolic compounds and anthocyanins. As in the north, harvesting took place under excellent conditions.

TASTING

The mouth is harmonious: a dense and creamy structure, firm but very fine tannins, ripe fruit enhanced with peppery notes and an impressive length. A vintage that expresses beautifully the 2015 vintage.
