Fruit and freshness. Ideal as an aperitif or with a meal with friends.

PRESENTATION

Perrin Ventoux Rosé has everything you would expect from a good rosé wine. Fruit, freshness and a beautiful colour. Ideal as an aperitif or with a meal amongst friend.

THE VINTAGE

This 2017 vintage will be remembered as the year of all records: the driest year in 30 years, non-interventionist vineyard work, optimal harvest conditions, a very small yield due to climatic hazards, and wines with very rich potential.

LOCATION

Situated on the slopes of the Mont Ventoux, the vineyard benefits from a cooler climate than down in the plain. The grapes mature slowly and maintain a good acidity level. The wine is rich, fresh and balanced.

TERROIR

Sediment left by the seas of the Tertiary period at the base of the chalky Mont Ventoux. Red Mediterranean soils originating from cretaceous hard chalk, calcareous debris and round stones from old alluvium.

AGEING

The harvest takes place between the last days of August and mid-September, when the grapes have reached optimal maturity. This is defined by analysis and berry tastings. Harvest takes place early in the morning to preserve the freshness of the fruit and avoid oxidation of the aromas. As soon as the grapes arrive at the winery, they are pneumatically pressed which allows to extract the musts. Fermentation starts after settling and lasts about 15 days in temperature-controlled stainless steel tanks. After fermentation, the wines are kept in stainless steel vats and slightly fined before bottling.

VARIETALS

Cinsault, Grenache, Syrah

SERVING

10-12° in tulip shaped glasses.

TASTING

Pretty pale pink color with pastel undertones. Fresh and very aromatic on the nose, this wine has a delicate bouquet with notes of red fruit (currants, cherries), and citrus. Good balance between sweetness and acidity in the mouth. We find notes of fresh fruit with beautiful persistence. This 2017 wine is fresh and balanced, a beautiful expression of this beautiful fruity vintage.
