

FAMILLE PERRIN

Les Crus

Famille Perrin Luberon Blanc - 2022

An aperitif wine or to accompany simple cuisine, a great everyday white wine!

THE VINTAGE

The 2022 vintage experienced contrasting climatic hazards which allowed to offer good quality grapes and a very promising aromatic complexity, with however a heterogeneous volume depending on the plots. Winter and spring were particularly mild and very dry, with the months of January and May proving to be the driest since the start of the 20th century, with record temperatures in May and June. These conditions allowed to maintain an excellent sanitary state of the vines, thanks to a total absence of disease. The summer was then very sunny with high temperatures that presaged high potential in terms of alcohol, but saving rains in mid-August allowed the grapes to slowly continue to mature. The harvest thus began on August 19th in very good conditions and 11 days ahead of 2021. It was punctuated by a few rainfalls in September which did not alter the superb quality of the grapes but made it necessary to carry out a light sorting in the vineyard. We have worked our rosés with finesse, for elegant, fruity and low-alcohol wines. The reds were gently vinified with delicate extractions which reveal particularly balanced wines. The first tastings suggest a 2022 vintage full of promise, with complex and aromatic palates and great balance.

LOCATION

Mainly within the Parc Regional du Luberon, which is equidistant from Avignon, Aix-en-Provence and Manosque. The average altitude of the vineyards is 300 metres/1000 feet above sea-level, and the grapes are harvested relatively late.

TERROIR

Old alluvial deposits of round and flat stones, calcareous marl and patches of clay created by alluvial alpine flows.

AGEING

The white grapes are harvested at optimal maturity. The harvest date is defined through analysis and tasting of the berries. Upon arrival at the winery, the grapes are pressed using a pneumatic press. After settling, the must ferments in temperature controlled tanks. At the end of the alcoholic fermentation, the wine is kept in stainless steel tanks until bottling.

VARIETALS

Bourboulenc 30%, Grenache 30%, Ugni blanc 30%, Roussanne 10%

SERVING

8°C with a starter or a cold buffet

TASTING

Elegant pale-yellow colour with green silvery undertones. The nose is full of freshness and elegance with fruity notes of green apples and pears combined with aromas of mountain flowers. Juicy and fruity, the palate is well balanced with nice freshness and ends with a very fine and pleasant bitterness with subtle saline notes.
