

La Plume

de
La Vieille Ferme

La Plume Vin de France - Blanc

A light, authentic and gourmet wine.

PRESENTATION

La Plume de La Vieille Ferme is a true wine, balanced, silky and gourmet, with only 9.5° alcohol. It offers a lighter experience, without any compromise on quality.

BLEND

La Plume is born from a blend faithful to the spirit of La Vieille Ferme, with the same geographical origin. However, we focus on:

- vineyards at higher altitudes,
- later-ripening grape varieties,
- and adapted viticultural practices.

This allows us to craft a wine that naturally reaches around 11.5° (compared to 12.5° for La Vieille Ferme). We then carry out a partial dealcoholization through membrane filtration. This gentle technique preserves aromas and texture. After five years of testing, we have deliberately limited dealcoholization to -2°, the optimal threshold to preserve authentic taste, natural balance, and excellent stability.

VARIETALS

Bourboulenc, Grenache blanc, Ugni blanc, Vermentino

TASTING

A white with a brilliant robe and golden reflections, featuring an expressive nose of juicy pear, white peach, and white flowers. The palate is ample yet refined, marked by lively freshness, silky texture, and a persistent finish with citrus notes.
