评论与奖项

89-91/100

"Even better is the 2011 Gigondas Vieilles Vignes, which comes from pre-phylloxera vines on the estate they purchased. Notes of blackberry, black currant, crushed rock, acacia flowers and raspberry are all present in this wine, which has terrific concentration, loads of zesty acids and a deep, penetrating mouthfeel."

Robert Parker, Wine Advocate

95/100

"Also brilliant, the 2011 Gigondas L'Argnee Vieilles Vignes (fermented with 50% stems) exhibits fantastic Grenache character with loads of kirsch, cinnamon, cured meats, dusty soil and underbrush all soaring from the glass. Also full-bodied and deeply concentrated, it has fine tannin, bright acidity and a vibrant, energetic texture that keeps you coming back to the glass. Like the Domaine du Clos des Tourelles, it will have upward of 15 years of longevity and is more than a little impressive."

Jeb Dunnuck, Wine Advocate, 01/11/2013
