

LA FERME JULIEN

La Ferme Julien Vin de France Rouge - 2021

PRESENTATION

The big "pleasure wine", this is how we can call La Ferme Julien. A simple wine, but excellent each year vintage after vintage. One of the best value wines in the world.

THE VINTAGE

2021 is a vintage marked by freshness, which is similar to the vintages we had in the eighties and nineties. It is also what we call a "winegrower vintage", human intervention and the care given to the vines were decisive for the quality of the vintage. Marked by climatic vagaries, with an episode of frost in April and interrupted harvest because of rain, this year has indeed required constant investment from our teams in the vineyard. Their attention and their commitment have borne their fruit: this vintage is very promising with lots of freshness and great balance.

AGEING

This is adapted to suit each wine, grape variety and producer. Nearly all the grapes are lightly crushed and fermented in cement vats of 150 and 300 hectolitres. The fermentation is classic and extended.

VARIETALS

Carignan, Cinsault, Grenache, Syrah

SERVING

17°C/62°F to accompany a wide range of dishes, or to be drunk on its own.

TASTING

Pretty deep-red colour with shiny reflections. From the nose, this wine sets the tone of gluttony with aromas of red fruit, spices and violets. Its fresh, drinkable and well-balanced mouth offers soft tannins and continues on gourmet notes with a redcurrant finish.
