Famille Perrin Vinsobres "Les Cornuds"

We really like the terroir of Vinsobres, a beautiful village located 40 kilometres north of Châteauneuf du Pape at an altitude of 300 metres, primarily on terraces. Vinsobres is particularly suitable for Syrah, giving it that great finesse we tend to lose further south.

PRESENTATION

We really like the terroir of Vinsobres, a beautiful village located near Vaison la Romaine; The vineyard is at an altitude of 300m and is situated for the most part on terraces. Vinsobres is particularly suitable for Syrah because it preserves the finesse which is often lost in more southern climates. It develops notes of violet, smoked meat and blackberries. Grenache is also suited to this terroir, full bodied and not heavy, with notes of black chocolate, cherry and typical Garrigue aromas.

THE VINTAGE

In 2010, all the right conditions were united to produce an exceptional vintage. Heavy rainfall during spring, followed by a very hot summer and an Indian summer in September allowed for great harvest conditions. This vintage produced very balanced wines with intense notes of fruit and great finesse.

LOCATION

The most northern vineyard of the southern Rhône. The Perrin family owns around 60 hectares in one single plot in Vinsobres. The average altitude is 300 metres on hills and terraces.

AGEING

The entire harvest is destemmed. Syrah is vinified in wooden truncated tanks that are punched down and pumped over. The Grenache is vinified in stainless steel tanks. The Syrah is partly aged in one year old oak barrels. Blending takes place after malolactic fermentation.
