THE VINTAGE

The 2022 vintage experienced contrasting climatic hazards which allowed to offer good quality grapes and a very promising aromatic complexity, with however a heterogeneous volume depending on the plots. Winter and spring were particularly mild and very dry, with the months of January and May proving to be the driest since the start of the 20th century, with record temperatures in May and June. These conditions allowed to maintain an excellent sanitary state of the vines, thanks to a total absence of disease. The summer was then very sunny with high temperatures that presaged high potential in terms of alcohol, but saving rains in mid-August allowed the grapes to slowly continue to mature. The harvest thus began on August 19th in very good conditions and 11 days ahead of 2021. It was punctuated by a few rainfalls in September which did not alter the superb quality of the grapes but made it necessary to carry out a light sorting in the vineyard. We have worked our rosés with finesse, for elegant, fruity and low-alcohol wines. The reds were gently vinified with delicate extractions which reveal particularly balanced wines. The first tastings suggest a 2022 vintage full of promise, with complex and aromatic palates and great balance.

AGEING

Wine elaborated by Saignée method. Vinification in stainless steel tanks until January, the wine is then bottled after fining.

VARIETALS

Cinsault, Grenache, Syrah

SERVING

10-12°C on hors-d'oeuvres, cold buffets, tomato salads, grilled meat, ... and other summer lunches.

TASTING

Beautiful clear pale-peach colour with shiny reflections. The nose reveals great freshness and tastiness with a seductive aromatic bouquet with notes of red fruit and juicy summer fruit such as nectarines and peaches. Particularly delicious and crisp, the palate prolongs these fruity aromas, perfectly balanced by a slight bitterness on the finish. A very fruity wine, particularly flavoursome.
