

FAMILLE PERRIN

Les Crus

Perrin & fils Châteauneuf du Pape

White wines from Châteauneuf du Pape are uncommon. Their elegance and aromas live up to the reputation of the appellation.

PRESENTATION

This extremely rare wine comes from a 2.5 acre vineyard located within the "clos" around the historical pope's palace. All the viticulture is carried out by the Beaucastel team.

THE VINTAGE

The 2009 vintage can be described as a wine with good structure and soft tannins. The wine is balanced and has a good acidity level despite the high temperatures in August. This wine has characteristics of great vintages such as the 2005 and 2007 with great ageing potential.

LOCATION

Sinards White comes from an area that we call the Clos du Château, near the village of Châteauneuf du Pape. The vineyard of 2,5 hectares is located right next to the one of Les Sinards Red.

TERROIR

Diluvial alpine deposits with rolled pebbles on clay.

AGEING

Hand-picked and sorted grapes are laid in small boxes. Crushing is pneumatic, then the must is settled to separate the solid particles. Fermentation then takes place, 50% in new oak barrels and the rest in 1 year-old barrels.

VARIETALS

Grenache blanc, Clairette

SERVING

At 10°C in tasting glasses.

TASTING

A pale golden-yellow hue.
The nose is reminiscent of flowers with a touch of licorice and honey.
The texture is very soft, elegant and ripe, with flavors of ripe peach and licorice. Good acidity and a salty character at the end.
This is a very typical Châteauneuf du Pape White from a great vintage

REVIEWS AND AWARDS

90/100

"Pale gold. Ripe pear and jasmine aromas are complicated by licorice and white pepper. Broad, fleshy and dry, with very good depth and grip to its orchard fruit and lemon rind flavors. Expands nicely on the finish, which features notes of honeysuckle and bitter quinine. This wine will be extremely flexible at the table."

Stephen Tanzer's International Wine Cellar

91/100

"Fresh, smooth and elegant with tangy acidity and lovely white owers; silky, minerally with juicy fruit and complexity; balanced, lively and long."

Anthony Dias, Blue Reviews, 01/10/2011
