

La Vieille Ferme

La Vieille Ferme Ventoux Rouge - 2022

Since 1970, La Vieille Ferme has been producing authentic, honest and tasty wines vintage after vintage. In some of the world's best restaurants and bars, La Vieille Ferme has been acknowledged as one of the best value for money wines in the world.

PRESENTATION

The Perrin Family search for the most suitable terroirs to produce a fresh and fruity wine. Unpretentious, this is the archetypal pleasure wine. Authentic, genuine and tasty.

THE VINTAGE

The 2022 vintage experienced contrasting climatic hazards which allowed to offer good quality grapes and a very promising aromatic complexity, with however a heterogeneous volume depending on the plots. Winter and spring were particularly mild and very dry, with the months of January and May proving to be the driest since the start of the 20th century, with record temperatures in May and June. These conditions allowed to maintain an excellent sanitary state of the vines, thanks to a total absence of disease. The summer was then very sunny with high temperatures that presaged high potential in terms of alcohol, but saving rains in mid-August allowed the grapes to slowly continue to mature. The harvest thus began on August 19th in very good conditions and 11 days ahead of 2021. It was punctuated by a few rainfalls in September which did not alter the superb quality of the grapes but made it necessary to carry out a light sorting in the vineyard. We have worked our rosés with finesse, for elegant, fruity and low-alcohol wines. The reds were gently vinified with delicate extractions which reveal particularly balanced wines. The first tastings suggest a 2022 vintage full of promise, with complex and aromatic palates and great balance.

LOCATION

The vineyards are located on the slopes of Mont Ventoux. The altitude offers freshness, which provides a good acidity level to the grapes. The wine is, therefore, fresh, fruity and well balanced.

TERROIR

This varies according to altitude but consists for the most part of deposits left around the base of the chalky Mont Ventoux by the seas of the Tertiary period. Red Mediterranean soils blend with chalk debris and round stones.

AGEING

Each grape variety is harvested and vinified separately in order to respect the maturity of each varietal. The harvest date is determined by analysis and tasting the berries. Upon arrival in the cellar, the grapes are destemmed and crushed. The extraction is done during fermentation in cement tanks with pumping over.

VARIETALS

Carignan, Cinsault, Grenache, Syrah

SERVING

17°C with a spontaneous meal and for enjoyment.

TASTING

Beautiful robe of an almost purple-red, limpid and shiny. This wine opens with a particularly attractive gourmet nose with notes of red fruit such as blackcurrants and blueberries associated with touches of leather and violet. Perfect balance between freshness and elegance, the palate is full of attractive aromas of very ripe red fruit enhanced by a hint of pepper and its soft texture with fine tannins which make it particularly pleasant and very drinkable.
