

FAMILLE PERRIN

Les Crus

Famille Perrin Nature Côtes du Rhône Rouge - 2013

Classic Côtes-du-Rhône, this wine is organic. Grenache and Syrah complement each other in this soft wine with aromas of red fruit and Garrigue. The finish is velvety. Organic is good!

PRESENTATION

Certified organic by Ecocert, Perrin Nature is not only an organic Côtes-du-Rhône but also a great wine. Using our experience in organic farming at Beaucastel (one of the first big estates to turn to organic farming 40 years ago), this wine is a beautiful expression of fruit with delicate and soft tannins.

THE VINTAGE

The vintage started with a long winter and one of the driest ones in the past years followed by an inexistent Spring. The crop development was very slow due to important climatic variations. The winemakers' work was therefore crucial to get good quality grapes in small quantities. 2013 was a complicated vintage and late but is wonderfully balanced and is very promising.

This wine comes from a vineyard located between Valréas and Vaison la Romaine, north of Orange. The vineyard is planted in Grenache and Syrah.
