

CHÂTEAU DE BEAUCASTEL

Château de Beaucastel Côtes du Rhône Blanc Coudoulet - 2023

PRESENTATION

The 30 hectares of Coudoulet are located just east of the vineyard of Beaucastel on the other side of the A7 motorway. For reasons that have now become obvious, Coudoulet is often considered the baby Beaucastel. The Coudoulet soil has many similarities to that of Beaucastel. It is made out of Molasse seabed covered by diluvial alpine deposits. These pebbles called "Galets Roulés" play a big role: They take in the heat during the day and let it off slowly at night which gives a good start to the vines in the Spring.

THE VINTAGE

The 2023 vintage is characterised by a beautiful climatic balance, which is reflected in the cellar. The mild winter was followed by a dry spring then a hot summer, particularly in August and September. Despite a slight lack of rain, these conditions allowed ideal ripening and the harvest began on August 22nd in perfect conditions. Under a warm and radiant sun, the harvest went perfectly, even if it was necessary to work quickly to prevent the juices from oxidizing in the heat, particularly the rosés. The harvest ended on October 4, with the last devatting on October 23. The first tastings reveal very balanced wines: they are rich, powerful and have good concentration, while having retained a beautiful freshness. A vintage that shows great potential.

LOCATION

Within the Côtes du Rhône appellation, adjoining the vines of Château de Beaucastel, between Orange and Avignon. The vineyard of the Coudoulet de Beaucastel Blanc is 3 hectares (6 acres) in size.

TERROIR

Miocene marine molasses with a layer of alpine diluvium (rounded pebbles).

AGEING

Hand-picked grapes are collected in baskets prior to sorting, pneumatic pressing and clarification of the must, fermentation partially in oak barrels and partially in steel tanks. For eight months in barrels and steel tanks, before blending and bottling, without cold stabilisation.

VARIETALS

Bourboulenc 30%, Marsanne 30%, Viognier 30%, Clairette 10%

"A blend of Viognier, Bourboulenc and Grenache Blanc. Cask sample. Fresh nose. The palate has peach, apricot as well as pear and honey notes. Sweet fruit on the rich, layered palate - bordering on tropical. Rich, layered, big, attractive and opulent."

90/100

"A blend of Marsanne, Bourboulenc, Viognier and Roussanne, the 2022 Cotes du Rhone Coudoulet de Beaucastel Blanc features refreshing notes of pear and melon. It's medium to full-bodied, plump on the mid-palate, then turns a bit chalky, with a slightly dusty feel to the lingering finish."

"A sensational white Cotes du Rhone. Lots of toasted nuts, buttered baguette and a wide spectrum of candied fruit aromas fill out the medium-bodied palate. Fantastic balance and excellent concentration, with a very long and silky finish. From organically grown grapes."
